2. California destination- Coggins must be less than 6 months old.
3. A **Health Certificate** that is less than thirty (30) days old.
4. Original Documents if destination is: Arizona, California or Florida. This paperwork must be with horse(s) or pony at the origination and travel with horse(s) to the destination.
5. The horse(s) must have a good leather or nylon halter and confined for pickup.
6. Miscellaneous supplies or boxes will be shipped for an additional charge.
7. Please advise us if we cannot safely get our equipment in and out of the pick up or delivery location.
8. A stall will be reserved beginning with your agreement to send a 50% advance deposit which will be expected within 3 days and the balance (cash or bank cashier's check) will be due at either the origination or destination point. Payment is also accepted by credit card via PayPal.
9. Advise us of any unusual characteristics that might affect the horse(s) and/or our drivers during the trip. (Examples: Kicks, Colic History, Blindness, Claustrophobia, etc.)
10. Furnish one bale of hay (per horse) so that we do not have to change their diet in transit, otherwise our coastal hay will be fed. If you have special feeding requirements please specify.
11. The horse(s) should not be fed grain one feeding before we pick up, or the feeding after delivery.
12. We recommend shipping boots, if the horse(s) are accustomed to wearing them. Bandage type leg-wear is not recommended.
13. It is not a horse's nature to be confined and shipped across country and it can be an uncomfortable and stressful event. To prepare your horse for the trip, please expose your horse(s) or pony to a confined space (stall) with any tack intended for their trip. Time spent preparing your horse(s) is not necessary, but will be advantageous to your horse's shipping experience.
